STAND FACING FORWARD

EESF PROGRAMS

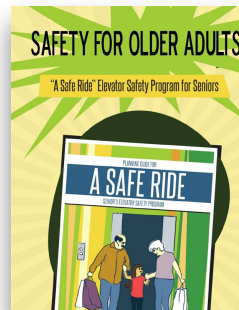

SAFET RIDERS

The *Safe T Riders* introduce elevator and escalator safety to young children in schools and other organizations throughout North America.

Visit www.eesf.org to download program materials or to request more information about this safety program that has reached more than 500,000 children each year!

A SAFE RIDE

An interactive education program for adults and seniors, intended to increase the public's awareness of the safe and proper way to ride elevators, escalators and moving walks.

RISE UP, SAFE RIDER

Rise Up Safe Rider is an elevator, escalator and moving walk safety guide for university students. It is generic to be used in malls, airports and transits as well.
